

Portland Peaceful Response Coalition

Weekly March for Peace & Justice
Every Friday at 5:00 PM

Pioneer Courthouse Square,
SW Broadway & Yamhill, downtown Portland

If you want peace, work for justice!

PPRC has actively opposed US wars and occupations since September 2001. From Afghanistan to the West Bank and Gaza, from Colombia and Haiti to the criminal occupation in Iraq, the volunteers of PPRC are working to end the corporate-driven military campaigns of the United States. Only global justice will bring global peace and security. Only a truly grassroots democratic movement can challenge the corporate power that has corrupted this country.
